

## **ACHMM 2008 Strategic Plan**

### **Goal 1: Increase the visibility of ACHMM and provide value to our membership**

- Objective 1: Implement an ACHMM outreach program
- Objective 2: Support member recognition
- Objective 3: Promote vigilance and emergency preparedness
- Objective 4: Provide relevant benefits to membership

### **Goal 2: Strengthen the financial position of ACHMM in order to offer greater benefit to the membership.**

- Objective 1: Increase and diversify the revenue streams of the ACHMM
- Objective 2: Institutionalize good fiscal Management of ACHMM
- Objective 3: Identify and establish critical skill sets of staff and volunteers

### **Goal 3: Unify and strengthen the Environmental, Health and Safety, and Security industries**

- Objective 1: Develop and maintain partnerships with other professional/trade organizations that are beneficial to the membership

### **Goal 4: Continually improve ACHMM operations, processes, and structure to support the ACHMM strategic goals and objectives**

- Objective 1: Evaluate current means of managing the organization to determine if it provides the necessary structure to meet the strategic objectives
- Objective 2: Develop, implement and maintain a management system for ACHMM
- Objective 3: Evaluate ACHMM legal structure and formal relationship to chapters
- Objective 4: Develop and implement a "green strategy" as appropriate
